

## COVID Protocol

*All clients need to wear a mask while in the studio.*

*If you are having any symptoms of illness please reschedule your appointment.*

### Social Distancing Guidelines:

-Please come in for your appointment alone. Only the person scheduled for the appointment will be able to come inside the studio. Friends/family are asked to wait outside or in the car (please call ahead for exceptions).

-Two people will be allowed in the waiting room at a time. If two people are already in the waiting room, please wait before coming into the studio.

### Please be respectful of our time:

-Due to increased time between appointments to adhere to social distancing guidelines, and increased cleaning precautions, we are not able to see as many clients. Therefore, late arrivals may result in a canceled appointment, and the cancellation fee (\$50) will be applied. Cancellations not made with a 24hour notice will result in a cancellation fee (\$50). The cancellation policy will be firmly adhered to.

-For laser appointments, please make sure you are following the pre and post care instructions. *Have the area to be worked on clean-shaven and free of make up and/or deodorant.*

***-There will be a \$5 charge per razor if the area is not shaved or a 'touch up' is needed.***
